Bringing Seizure Care to the Community

Help Shape the Future of Seizure Care

Join our Patient & Public Involvement Group

cft.cider@nhs.net

WHAT WE'RE DEVELOPING

- A simple EEG headset
- An accompanying mobile app
- Testing in real-life settings, at GP's and at home

OUR GOAL

- **Faster diagnosis**
- **Fewer hospital visits**
- **Care closer to home**

YOUR VOICE MATTERS

We're looking for people aged 18+ (including family members or carers) who have experience of seizures, to be a crucial member of our project.

SHARE EXPERIENCES
Help us understand what matters to you.

CO-DESIGN SOLUTIONS
Work with us to shape better tools and services.

TELL US WHAT MATTERS MOST
Your insights will guide the future of care.
